F. Five Chemical Alerts (Night of February 24-25)

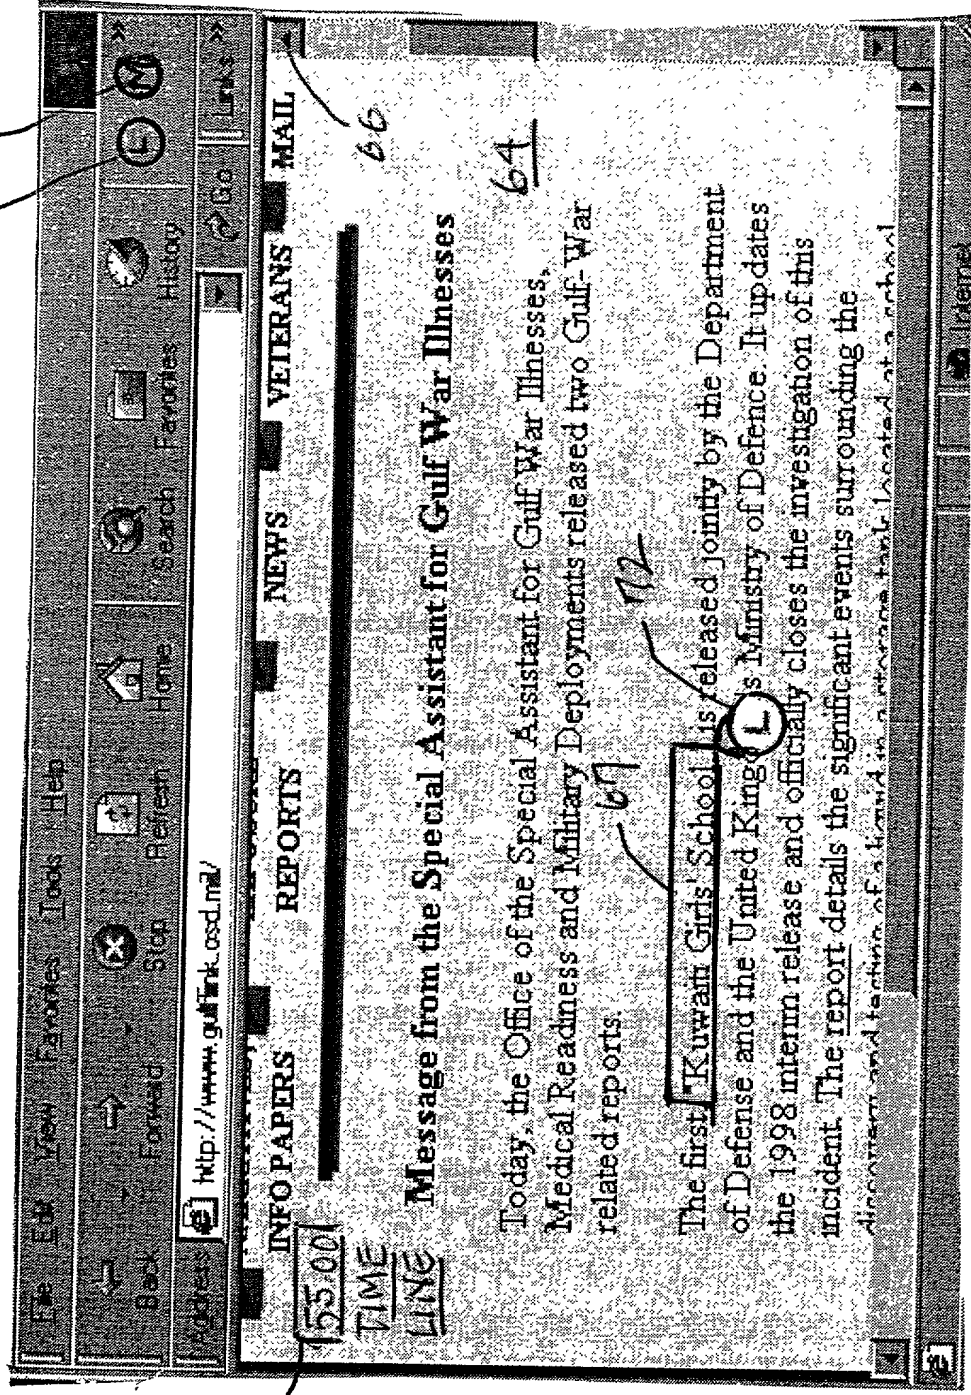

On the night of February 24, Marines surrounding Al Jaber prepared for further operations knowing Iraq had the capability to use chemical munitions. [20] Our interviews indicate several US Marine and Army units around Al Jaber donned chemical protective equipment to Mission Oriented Protective Posture level 4 (MOPP-4) [21] five times between 8:00 PM on February 24 and 3:00 AM on February 25 in response to verbal alerts about smoke thought to be chemical
